ALLOW NOTIFICATIONS

In the event of a WVU Alert, Campus Warning or Community Notice event, WVU will send a push notification to the app to inform you of important updates.

To receive these messages, allow notifications when setting up your LiveSafe account or go into your app settings.

SET LOCATION SHARING TO "ALWAYS"

In the event of an emergency, location sharing allows UPD to find you quickly and efficiently. Additionally, it ensures you receive important safety information.

To turn on location sharing, select "Always" when prompted in the app or manage in your app settings.
