

EMERGENCY INFORMATION

Active Shooter

- **RUN:** if safe to do so, move quickly away from the scene; or
- **HIDE:** if not safe to move, hide as best you can, locking or barricading doors; or
- **FIGHT:** as a last resort, try to disrupt or incapacitate the shooter
- WVU Police
304-293-3136 or 911
- If hiding, stay in place until all clear is given through WVU ALERT

Fire

- Activate the nearest fire alarm, and exit the building
- Call 911 providing specifics about the nature of the fire
- Do not use elevators when evacuating the building
- Provide assistance to Individuals with Disabilities
- Gather at designated place and do not re-enter.

Medical Emergencies

- Request EMS by calling 911
- If the person is not breathing begin CPR (if trained)
- If there is active bleeding, assist the injured in providing firm pressure
- Keep the individual calm and send someone to guide Rescue personnel
- When EMS arrives, relay what you know about the person and the injury

Severe Weather

- If possible, shut all windows and doors
- Seek shelter away from exterior doors and windows
- Do not go outside during thunder or wind storms until the storm has passed
- Be aware of downed wires and falling objects
- Report emergencies to WVU Police
304-293-3136

Suspicious Package or Bomb Threat

- Do not touch or disturb object
- Call WVU Police (304-293-3136)
- Notify your supervisor or class instructor
- Be prepared to evacuate, if so directed
- If told to evacuate, look around for anything suspicious and report to authorities

Shelter in Place

- Get indoors
- Shut, lock and then stay away from all doors and windows
- Barricade doors that don't lock, if so directed, and turn off lights
- Silence Cell Phones
- Follow instructions from emergency personnel
- Await "All Clear" message from WVU ALERT
